

Formative 3: Probability Distributions, Bayesian Probability, and Gradient Descent Group 18 Contributions

Date: March 1, 2026

Group Members & Key Contributions:

- **Thierry Alain Tresor Ibyishaka:** Focused on Normal Distribution function (Part 1) and manual Gradient Descent calculations (Part 3, Iteration 4) .
- **Gentil Tonny Christian Iradukunda:** Focused on Bayesian Probability (Part 2) and , manual Gradient Descent calculations (Part 3, Iteration 2).
- **Arsene Kabasinga:** Focused on Bayesian Probability (Part 2) and manual Gradient Descent calculations (Part 3, Iteration 3).
- **Mutumwinka Heroine :** Focused on Gradient Descent Python implementation (Part 4) and manual Gradient Descent calculations (Part 3, Iteration 1).
